

Request for Proposal

Sunrise Park Playground Equipment

324 Skyline Dr.
Norman, OK
(Budget \$220,000)

RFP 2324-26

The City of Norman Parks and Recreation Department is seeking written proposals for the design, supply and installation of playground equipment, synthetic turf and a playground shade structure at Sunrise Park. Please consider the following information in the preparation of your proposal.

This park is located in a residential neighborhood (see map). The Parks and Recreation Department will remove the existing play equipment and safety surfacing prior to installation and provide an area suitable for installation of the new equipment. The total budget for the project is indicated above, unless otherwise noted in this RFP or any future addenda.

Proposals will be due to the Parks and Recreation Department office by 5:00 pm on Friday, December 1, 2023. A non-mandatory pre-bid meeting will be held at the park at 11:00 am on Wednesday, November 15, 2023.

Park furnishings (benches, picnic tables, trash cans, etc.) and adult fitness equipment (if any) will be bid for this park at a later date. Do not include such items in this proposal.

1. It is the intention of the City of Norman to provide a complete playground system, including one or more play apparatus surrounded by synthetic turf safety surfacing, as well as a free standing shade canopy structure on the south side of the playground area that projects shade over the majority of the play equipment, excluding swings. A concrete (i.e., NOT plastic timber borders) border around the new equipment's safety surface area will be installed (by others), based on a layout done in the field by the successful bidder and parks and recreation project manager. Additional specifications are included, below. The contractor shall provide all necessary design, materials, incidentals, methods and labor necessary to furnish a complete play area ready for use. All material shall be new and free from defects, meet all current ASTM, CPSC, ADAAG guidelines, be IPEMA certified and be constructed by the successful bidder's installation contractor in a manner that will assure all of the equipment and surfacing manufactures' full warranties on all parts and labor are in effect, post- installation.
2. Playground equipment shall be placed for best use of the area based on safety, accessibility and play value. Parks and Recreation Staff will be available to visit the site and advise on product

location. All equipment bid herein shall include those play features in their design along with their designated use zones, which will be used in calculating the safety surfacing required for this project.

3. All equipment at this park is to be placed inside a concrete-bordered safety surface area. Include at least one wheelchair-accessible entry point into the area and at least one transfer point on any/all modular play unit structures. The safety surface around all equipment shall consist of a ***synthetic turf safety surface system which shall include a 10 foot fall height rating for the entire playground.*** It is our intent to have the play equipment in an area that is excavated to a depth that produces a play area with its perimeter border finished elevation to be at-existing-grade. An existing concrete walking loop will be utilized for a portion of the playground perimeter, which should be considered when designing the playground surfacing. Final layout of entire playground border will be done at a pre-construction meeting with the chosen bidder. The play area border will ultimately be constructed as a four-foot concrete border (**by others**) so park staff can easily mow the edge around the play area; while strollers/trikes/etc. can use the wide concrete border to travel around the play area. The bidder must include a cross-section of the surfacing system for the new playground area, which indicates how the area will drain water away from the playground in order to avoid the accumulation of rain water on the synthetic turf surface. The surfacing system shall be designed and installed as-per manufacturer's specifications to accommodate positive drainage at this site. The bidder must also identify the turf manufacturer and method of installation (i.e., method used to attach to the concrete border and infill type).
4. All designs shall be documented to meet or exceed the CPSC guidelines of 2010, ASTM F 1487-17 and all applicable ADA regulations (the latest editions thereof). Playgrounds that have high play value while incorporating safety, low maintenance and IPEMA certification will be given preference. Also, the City of Norman gives low priority to roofs on playground equipment (low play value & no need for smaller shaded areas once a large shade canopy is included).

The City of Norman is requesting designs as follows:

Sunrise Park—One (1) playground area for 5-12 year olds

One (1) free standing shade structure with a shade height that cannot be easily accessed by standing on the play equipment or by climbing the shade structure supports. (Height to be approved by project manager). Shade structure to be designed to project shade from the south side of the play area (no part shall be placed directly above the play equipment).

5. Designs shall be submitted with a scale drawing and written descriptions of the components. Also include factory warranties and product liability information on all components. Please submit 3 contacts where similar equipment has been used. If available, submit locations within the OKC metropolitan area. Final color selections shall be decided with successful bidder; however, bidders can incorporate digital or printed color renderings and other color graphics, as-needed, in order to convey the design intent for this project. Color renderings are not a requirement. Preference will be given to proposals that incorporate the color pink.
6. Because of the wide range of play equipment available, vendors are allowed to submit more than one proposal for this playground. Each proposal shall be delivered in separate envelopes, and contain all of the requested information. All bidders shall use the attached bid form and sign the accompanying affidavits for each proposal submitted. Other forms showing pricing from the bidder may be included in any proposal; but the City of Norman Bid Form shall be the sole

document used to compare proposals and add-alternates. All submittals are expected to be designed **to expend all of the funds budgeted in this RFP** to cover cost to provide and install all equipment, surfacing and shade structure components, except for the concrete border around the play area (will be completed by others). Preference will not be given to any proposal that comes in under this budgeted amount.

Each proposal shall include at least two (2) stand-alone play features that are fully accessible to children in a mobility device (wheelchair). Inclusion of other play features designed to accommodate other disabilities (vision, hearing, sensory) are encouraged, but this is not intended to be an all-inclusive playground.

Specific play equipment desired in each proposal should include but not be limited to:

- A. A modular play structure that is net/rope focused**
- B. “ Free Standing spinner (s)”**
- C. All slides shall have plastic decks and/or tubes (i.e., NOT metal); and all other equipment should have a powder coat finish.**
- D. Climbing component (stand alone or integrated part of modular unit)**
- E. One shade structure to be installed on the south side of the new playground modular unit, or the majority of the equipment at a height that is a minimum of 8’ above the tallest play deck on any modular unit.**
- F. One 1-Bay tot swing structure**
- G. One “Saucer” swing**
- H. A minimum of one, 1-bay belt swing structure (10’ height)**

7. The City of Norman reserves the right to reject any and all proposals. The vendor with the successful proposal will be required to enter into a Contract with the City of Norman and execute all necessary bonds (**Statutory, Performance, and Maintenance**) and provide proof of insurance as well as to comply with all appropriate city, state and federal codes and ordinances. A bid bond is not required for this project.

(Please direct any questions to Bethany Grissom at 405-366-5475
OR at bethany.grissom@normanok.gov)

Deadline for proposals will be 5:00 p.m. on December 1, 2023. Send all proposals to:
City of Norman Development Center
Parks and Recreation Department
225 N. Webster
Norman, OK 73069
(405) 366-5472

(Please label all proposals “Sunrise Park Playground RFP #2324-26”)

CERTIFICATION OF NONDISCRIMINATION

In connection with the performance of work under this contract, the contractor agrees as follows:

- A. Contractor shall comply with U.S. Executive Order 11246 entitled, "Equal Employment Opportunity" as amended by Executive Order 11375 and as supplemented in Department of Labor regulations (41 CFR, Part 60) and applicable state of California regulations as may now exist or be amended in the future. Contractor shall not discriminate against any employee or applicant for employment on the basis of race, color, national origin, ancestry, religion, pregnancy, sex, marital or parental status, political affiliation, sexual orientation, or physical or mental condition.

- B. Regarding handicapped persons, Contractor will not discriminate against any employee or applicant for employment because of physical or mental handicap in regard to any position for which the employee or applicant for employment is qualified. Contractor agrees to provide equal opportunity to handicapped persons in employment or in advancement in employment or otherwise treat qualified handicapped individuals without discrimination based upon their physical or mental handicaps in all employment practices such as the following: employment, upgrading, promotions, transfers, recruitments, advertising, layoffs, terminations, rate of pay or other forms of compensation, and selection for training, including apprenticeship. Contractor agrees to comply with the provisions of Sections 503 and 504 of the Rehabilitation Act of 1973, as amended, pertaining to prohibition of discrimination against qualified handicapped persons in all programs and/or activities as detailed in regulations signed by the Secretary of the Department of Health and Human Services effective June 3, 1977, and found in the Federal Register, Volume 42, No. 68 dated May 4, 1977, as may now exist or be amended in the future.

- C. Regarding Americans with disabilities, Contractor agrees to comply with applicable provisions of Title 1 of the Americans with Disabilities Act enacted in 1990 as may now exist or be amended in the future.

I have read the above stated clause and agree to abide by its requirements.

NOTICE TO BIDDERS / RFP RECIPIENTS

When submitting bids or responses to RFPs, corporate entities are required to comply with State law regarding authorized signatures.

State statute requires that bids/RFPs “be signed by the chair or vice chair of the Board of Directors, or the President, or by a Vice President, and attested by the Secretary or an Assistant Secretary; or by officers as may be duly authorized to exercise the duties....” 18 O.S. § 22

However, if some other official with the corporation, such as a secretary signing a document, such signature needs to be accompanied by a certificate or a copy of a resolution adopted by the Board setting forth the authority of that individual to execute a contract.

With respect to limited liability corporations, every manager is an agent of the company for the purpose of business and binds the limited liability company. Therefore, instruments and documents shall be valid and binding upon the limited liability company if executed by one or more of its managers. 18 O.S. § 32

As set forth above when submitting bids and RFPs, certification adhering to the state statutes should accompany documents being turned in for review.

NOTICE TO BIDDERS

Notice is hereby given that the City of Norman, Oklahoma, will receive sealed bids in the Office of the Park and Recreation Division, 225 N. Webster Norman, Oklahoma 73069, until 5:00 p.m. on **December 1, 2023**, for the following project:

SUNRISE PARK PLAYGROUND

Bids shall be made in accordance with the Notice to Bidders, Requirements for Bidders, Request for Proposals, and Bidders Proposal Form, which are on file and available for examination at the Office of the Park and Recreation Division and are made a part of this notice as though fully set forth herein, a copy of which may be obtained from the Office of the Park and Recreation Division. All bids shall remain on file at least forty-eight (48) hours thereafter before a contract shall be made and entered into thereon.

Bids received more than ninety-six (96) hours, excluding Saturdays, Sundays, and holidays, before the time set for opening of bids, as well as, bids received after the time set for submitting bids, will not be considered and will be returned unopened.

A non-mandatory pre-bid conference will be held at the Sunrise Park Site, 324 Skyline Dr. Norman, Oklahoma at 11:00 am on November 15, 2023.

The City Council of the City of Norman reserves the right to reject any and all bids and to waive any or all formalities of the bidding process.

City of Norman

REQUIREMENTS FOR BIDDERS

In accordance with State Law, the following documents must be included in the bid proposal packet submitted for consideration in the **SUNRISE PARK PLAYGROUND**. Failure to submit all of the items called for may render the bid proposal incomplete and thus eliminate the bidder from further consideration. They are:

1. Complete Bid Proposal
2. Bid Affidavits
 - a. Non-Collusion Affidavit
 - b. Business Relationship Affidavit
 - c. False Information Affidavit
3. Certificate of Non-Discrimination

*If no subcontract is anticipated for this project, the forms above pertaining to subcontractors need not be submitted.
